

Fain Campaign Founding Members

Betty Fain, former homeless client of Dumas Wesley's Sybil Smith Transitional Housing Program, overcame the conditions that led to her homelessness and is now an advocate for homeless prevention and independent living. The Fain Campaign's Founding members represent a bold promise to end chronic homelessness and support job-readiness.

The Fain Campaign giving begins with an annual gift of \$4,000 or more to the Dumas Wesley Community Center. The gift guarantees 24-hour on-site support services for homeless families with a desire to establish and maintain self-sufficiency. Individuals and corporations may make these gifts on behalf of a foundation, a special event or in memory of a special individual.
