

May 24, 2024

Dear Friends,

It's that time again! We are excited for our children to experience Mother Nature at her finest at the United Methodist Church's Blue Lake Camp Discovery in Andalusia, Alabama. We are delighted that our youth will have a chance to enjoy nature and outdoor challenges as well as worship, authentic relationships and memorable learning experiences. Here's what one of our campers had to say about his experience at Camp Blue Lake last year:

"This is my third year at Blue Lake. Camp is like going on a vacation in the woods with your friends. I really enjoyed swimming, archery and the campfires. We made s'mores on the firepit! They were sticky and tasted so good! I had a blast at camp. Thank you for taking me."

- Nicolas, Camp Blue Lake participant

The cost of camp this year is **\$243.00** per child and we hope you will prayerfully consider a gift to help underwrite this program. Your sponsorship will allow children to take a break from the challenges of everyday life and, for some, enjoy their first camp experience!

It is our desire that no child is denied a camp experience due to financial lack. Your support is important to us. Your prayers are treasured. Your help is greatly appreciated in whatever way it is given.

Sincerely,

Kate Carver
Executive Director
